The eighteenth measure shows a single hit on the first line. The nineteenth measure shows a single hit on the first line. The twentieth measure shows a single hit on the first line. The twenty-first measure shows a single hit on the first line. The twenty-second measure shows a single hit on the first line. The twenty-third measure shows a single hit on the first line. The twenty-fourth measure shows a single hit on the first line. The twenty-fifth measure shows a single hit on the first line. The twenty-sixth measure shows a single hit on the first line. The twenty-seventh measure shows a single hit on the first line. The twenty-eighth measure shows a single hit on the first line. The twenty-ninth measure shows a single hit on the first line. The thirtieth measure shows a single hit on the first line. The thirty-first measure shows a single hit on the first line. The thirty-second measure shows a single hit on the first line. The thirty-third measure shows a single hit on the first line. The thirty-fourth measure shows a single hit on the first line. The thirty-fifth measure shows a single hit on the first line. The thirty-sixth measure shows a single hit on the first line. The thirty-seventh measure shows a single hit on the first line. The thirty-eighth measure shows a single hit on the first line. The thirty-ninth measure shows a single hit on the first line. The fortieth measure shows a single hit on the first line. The forty-first measure shows a single hit on the first line. The forty-second measure shows a single hit on the first line. The forty-third measure shows a single hit on the first line. The forty-fourth measure shows a single hit on the first line. The forty-fifth measure shows a single hit on the first line. The forty-sixth measure shows a single hit on the first line. The forty-seventh measure shows a single hit on the first line. The forty-eighth measure shows a single hit on the first line. The forty-ninth measure shows a single hit on the first line. The fiftieth measure shows a single hit on the first line. The fifty-first measure shows a single hit on the first line. The fifty-second measure shows a single hit on the first line. The fifty-third measure shows a single hit on the first line. The fifty-fourth measure shows a single hit on the first line. The fifty-fifth measure shows a single hit on the first line. The fifty-sixth measure shows a single hit on the first line. The fifty-seventh measure shows a single hit on the first line. The fifty-eighth measure shows a single hit on the first line. The fifty-ninth measure shows a single hit on the first line. The sixtieth measure shows a single hit on the first line. The sixty-first measure shows a single hit on the first line. The sixty-second measure shows a single hit on the first line. The sixty-third measure shows a single hit on the first line. The sixty-fourth measure shows a single hit on the first line. The sixty-fifth measure shows a single hit on the first line. The sixty-sixth measure shows a single hit on the first line. The sixty-seventh measure shows a single hit on the first line. The sixty-eighth measure shows a single hit on the first line. The sixty-ninth measure shows a single hit on the first line. The seventieth measure shows a single hit on the first line. The seventy-first measure shows a single hit on the first line. The seventy-second measure shows a single hit on the first line. The seventy-third measure shows a single hit on the first line. The seventy-fourth measure shows a single hit on the first line. The seventy-fifth measure shows a single hit on the first line. The seventy-sixth measure shows a single hit on the first line. The seventy-seventh measure shows a single hit on the first line. The seventy-eighth measure shows a single hit on the first line. The seventy-ninth measure shows a single hit on the first line. The eightieth measure shows a single hit on the first line. The eighty-first measure shows a single hit on the first line. The eighty-second measure shows a single hit on the first line. The eighty-third measure shows a single hit on the first line. The eighty-fourth measure shows a single hit on the first line. The eighty-fifth measure shows a single hit on the first line. The eighty-sixth measure shows a single hit on the first line. The eighty-seventh measure shows a single hit on the first line. The eighty-eighth measure shows a single hit on the first line. The eighty-ninth measure shows a single hit on the first line. The ninetieth measure shows a single hit on the first line. The ninety-first measure shows a single hit on the first line. The ninety-second measure shows a single hit on the first line. The ninety-third measure shows a single hit on the first line. The ninety-fourth measure shows a single hit on the first line. The ninety-fifth measure shows a single hit on the first line. The ninety-sixth measure shows a single hit on the first line. The ninety-seventh measure shows a single hit on the first line. The ninety-eighth measure shows a single hit on the first line. The ninety-ninth measure shows a single hit on the first line. The hundredth measure shows a single hit on the first line.
