

# ムーンライト伝説

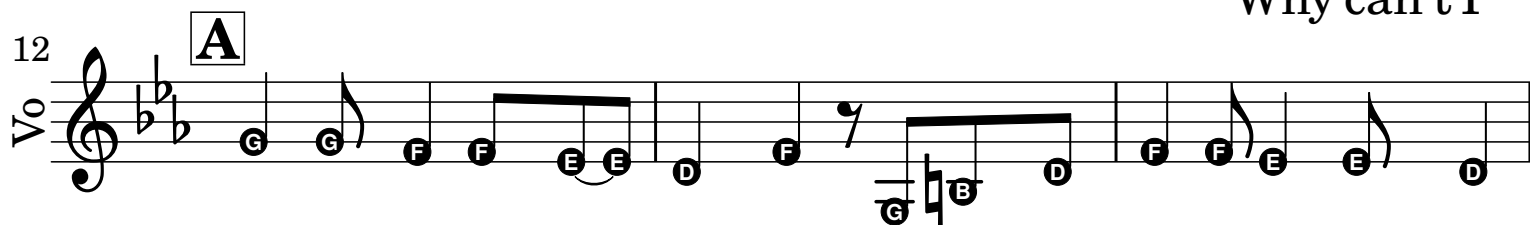

## Intro 1

♩ = 141

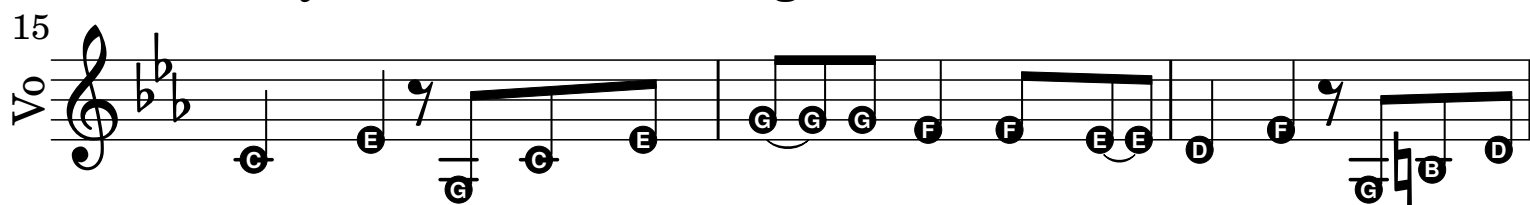

## Intro 2

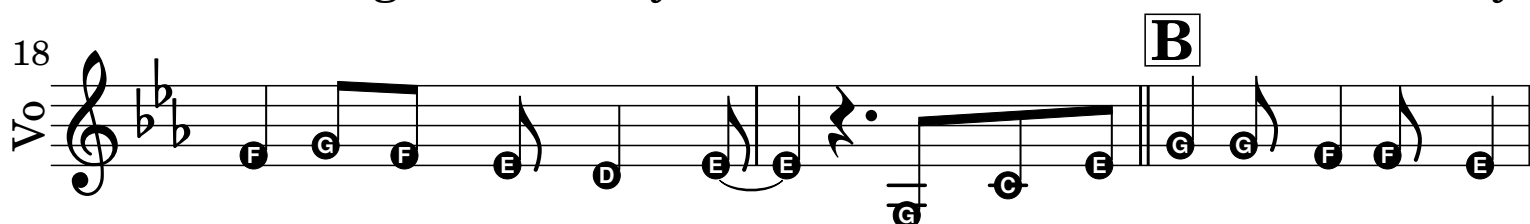

Why can't I

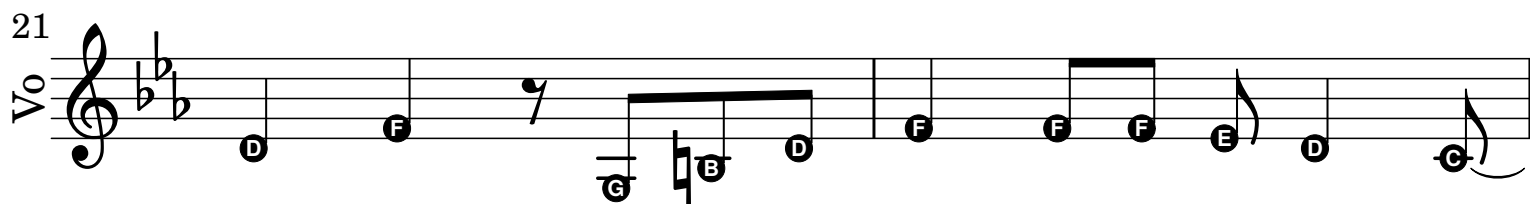

tell you all of these feelings? It's so much ea-sier when I'm

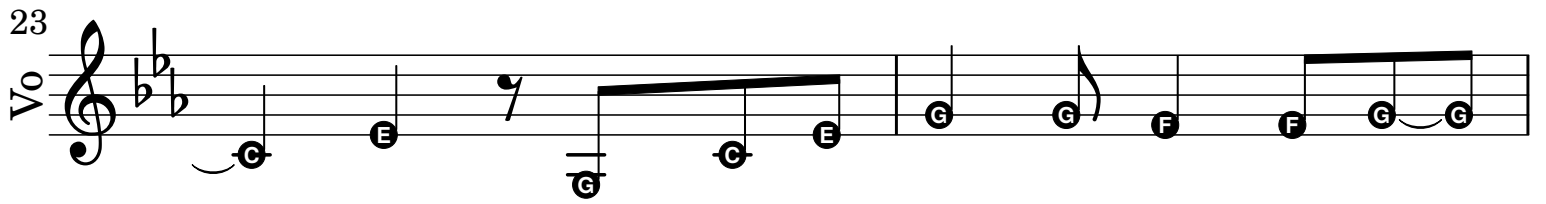

dreaming. I think my brain's about to short circuit. I really

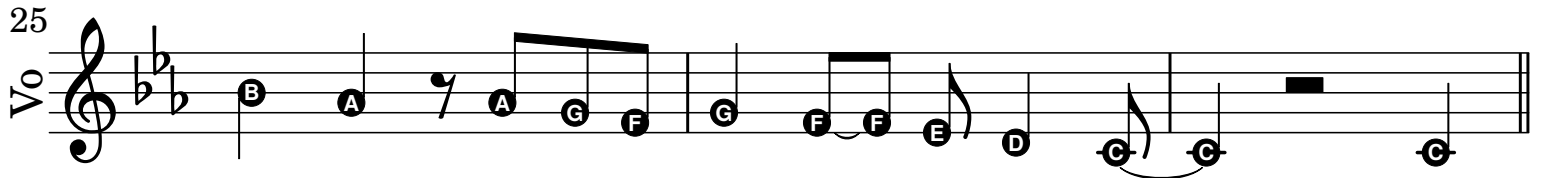

wish I could find the words. And now I'm crying under the

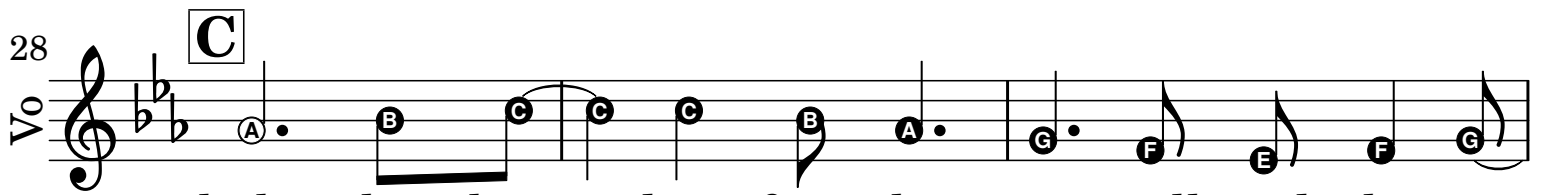

moon-light. I wan-na call you up, but it's mid-

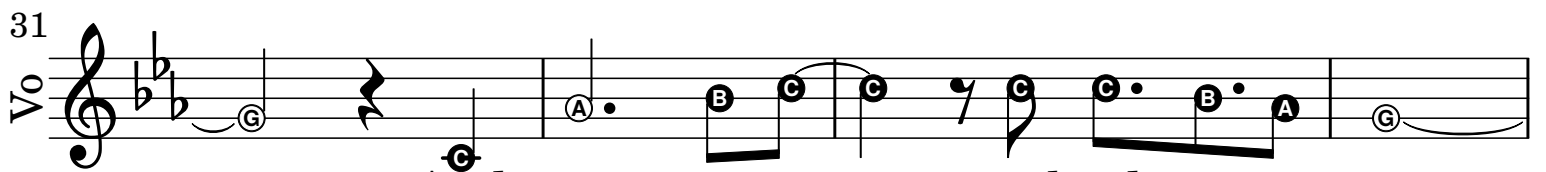

- night. What should I do with all of these

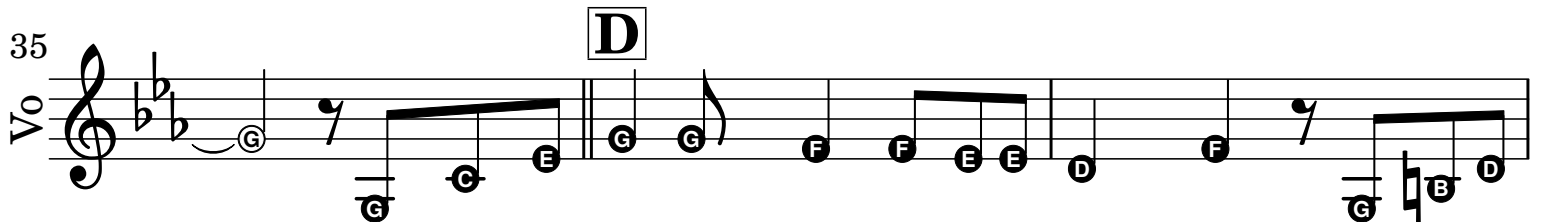

feelings? Like a Ka-lei-do-scopic heart. The

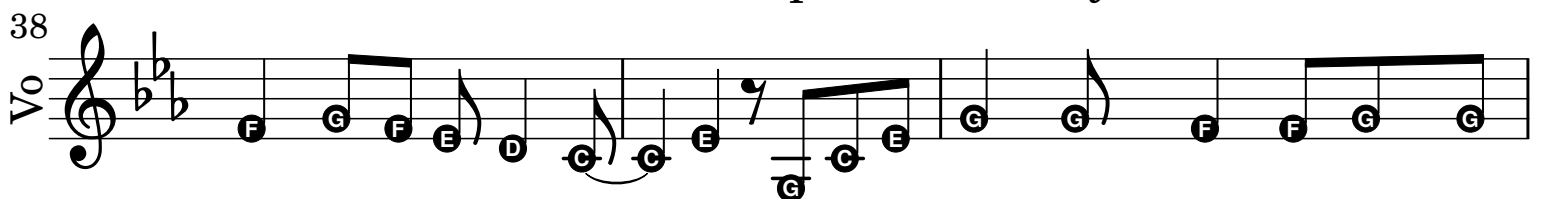

light that shines down from the moon will guide the way.

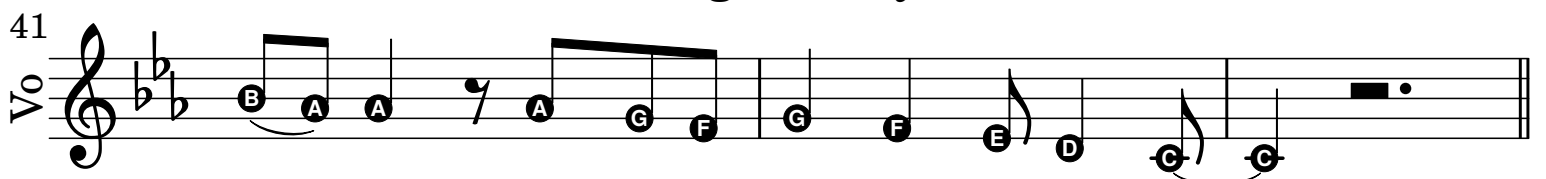

And once again, it leads me to you.

The constel-lations sparkle in my dreams. And so I

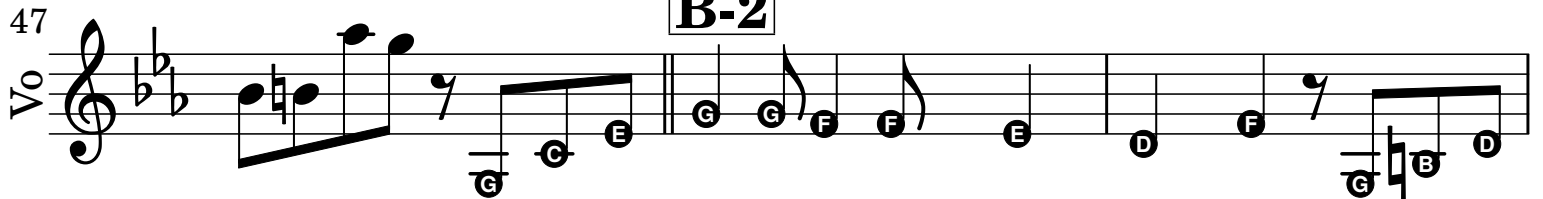

wonder if it's a bless-ing. As if by fate we're born on the same

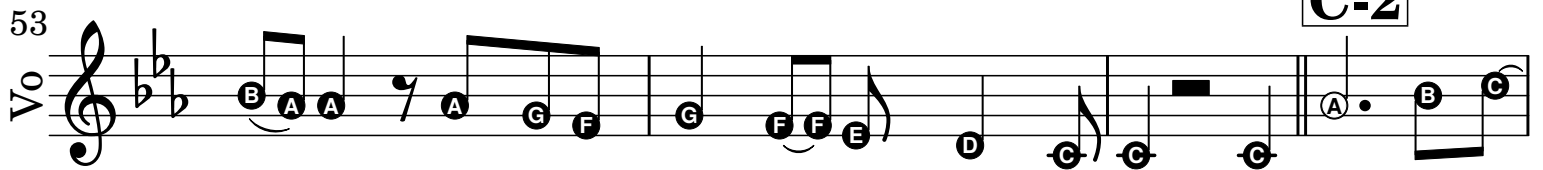

pla-net. Just like a mi-ra-cle ro-mance

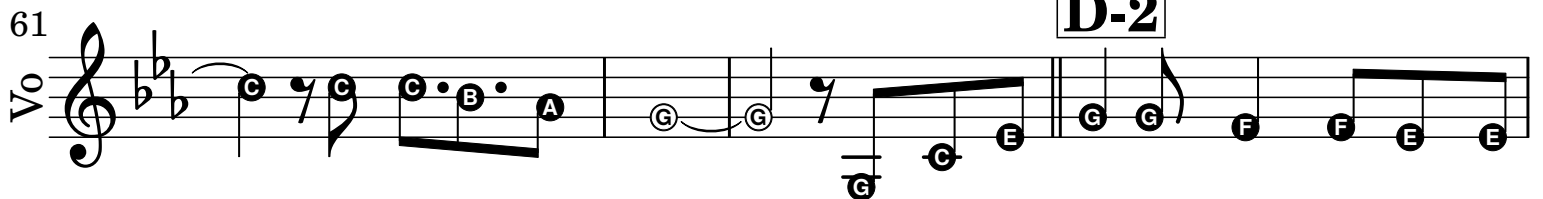

**B-2**

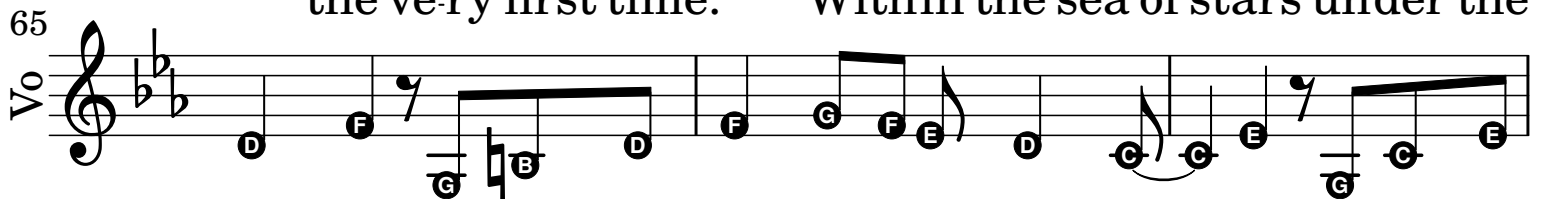

pray it has a hap-py end. I'll still be here past, present, and

**C-2**

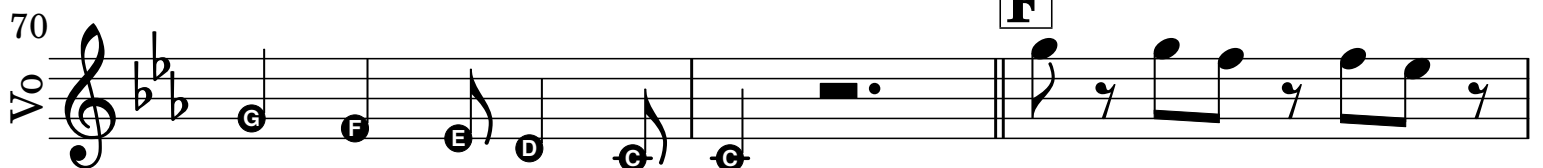

the way you looked at me that day. When I met you

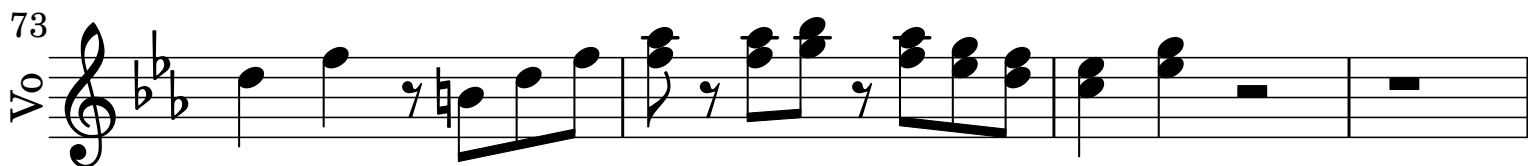

**D-2**

night sky I could still find you if I closed my eyes. I love the

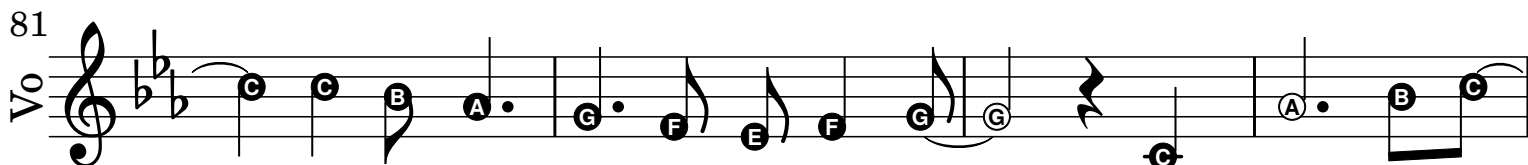

our own desti - ny.

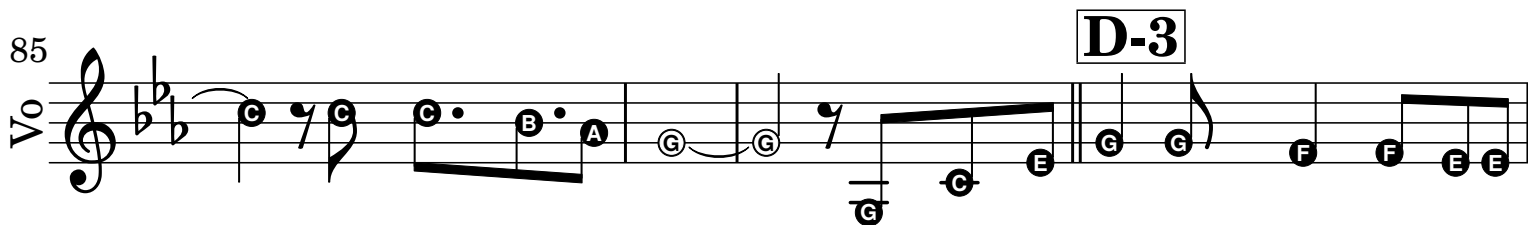

**F**

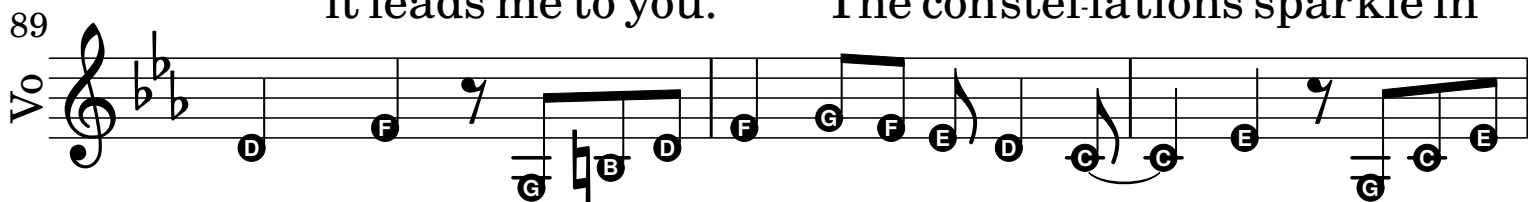

This mi - racle

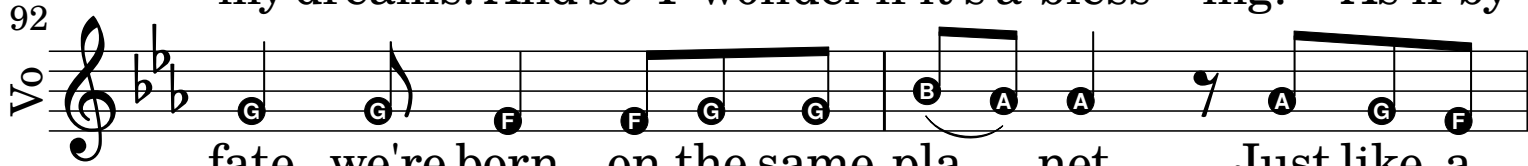

will always re-main a mystery. Cause once again,

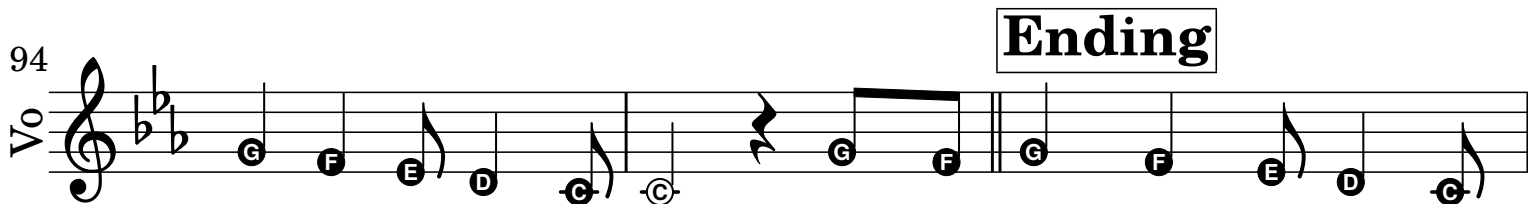

it leads me to you. The constel-lations sparkle in

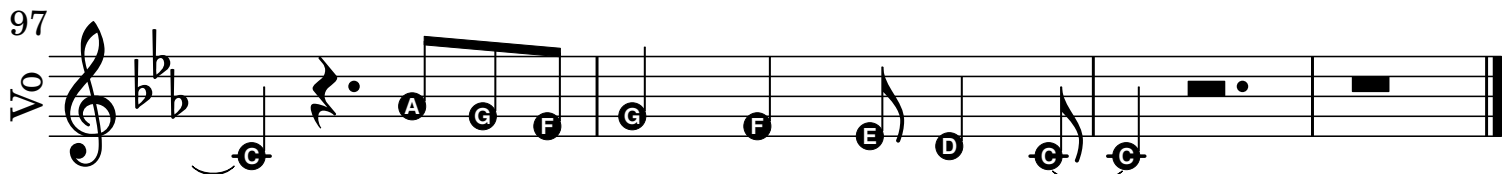

my dreams. And so I wonder if it's a bless - ing. As if by

fate we're born on the same pla - net. Just like a

mi-ra - cle romance. She's the one named Sailor Moon.

She is the one named Sailor Moon.
