

The World I Know

Collective Soul

Vocals $\text{♩} = 78$

Has our

conscience shown? Has the sweet breeze blown?

Has all kindness gone? Hope still

lingers on I drink myself of newfound pi-ty

Sitting alone in New York City And I don't-know-why

Are we listening Hymns of

offering? Have we eyes to see That love

is gather-ing? All the words that I've been reading -

Have now started the act of bleeding In-to one,-in-to-one

36

So I walk up on high And I step to the edge

39
V_o

To see my world be-low And I laugh at my-self

42

While the tears roll down - 'Cause it's the world I know

44

Oh it's the world I know

50

I drink myself of newfound pi-ty
